

Charity Hoop Tournament Rules

We're hoping everyone can have a good time supporting a worthy cause and testing their basketball skills out in this tournament event. Everyone who is helping is a volunteer so please be kind and respectful. We'll try to keep the rules simple here, but we do need to clarify how the tournament will be played. If you have any questions, please don't hesitate to ask Pete, Brandon, or Johnny.

The Sacramento Asian Sports Foundation (SASF) has a **ZERO TOLERANCE POLICY**. SASF does not tolerate fighting, substance abuse, or inappropriate and unsportsmanlike conduct during tournament play. It is expected that all participants act in accordance with the mission of the Sacramento Asian Sports Foundation. Any or all misconduct is subject to dismissal without reimbursement. These decisions are at the discretion of the Tournament Director and the SASF Board of Directors. Signing the registration form constitutes having read and understood the SASF Zero Tolerance Policy.

Friday Night Games

Each game will be followed by a 10 minute break before the next game begins. Since there are more teams than courts, some teams will be off until the next round (see the master schedule for when your team plays). Each team will play at least 3 games throughout the night. Your scores and results will be recorded to determine seeding for the elimination tournament on Saturday.

Saturday Night Games

Teams will be seeded based on their results from Friday night. This will be a single elimination tournament (unless we get more/less than 16 teams). In case we have over 16 teams the lowest seeded teams will play a wildcard game to determine the final spots on the 16 team bracket. Once we reach the final four teams, we will allow one time out per game during the semi-final and championship game.

Good Luck Ballers!
