

Charity Basketball Tournament & Bracket Challenge

What's This All About?

Have some basketball skillz? Want to help a worthy cause? Then consider joining us this summer for a 3-on-3 basketball tournament to benefit My Sister's House, a shelter for battered women and children. In April 2003, My Sister's House began as Sacramento's first shelter for Asian and Pacific Islander women. Since then, the shelter and safe haven has served hundreds of women and children including more than 180 domestic violence survivors in their award winning Women to Work program. They even offer a 24 hour multi-lingual hotline (916 428 3271).

Tournament Play

Entry into the tournament is a \$20 donation to My Sister's House. 100% of your entry fee goes to the shelter. The tournament will consist of 16 teams and will be played over two nights (dates to be determined). On the first night, each team will play 3 games. Your results will be tallied and each team will be ranked according to their play. On the second night, teams will be seeded 1 through 16 and play a single elimination tournament for the championship. Grand prize for the tournament is a brand-new Playstation 3 system (or \$400 in gift certificates to Best Buy).

Bracket Challenge

The tournament also has an extra feature designed to make this event even more fun. If you'd rather be a spectator than a player you can join the Bracket Challenge. In the style of March Madness and the NCAA Final Four you can pick which teams you think will win in the tournament. Scout out all the teams during the first night of play and support your picks during the championship tournament on the second night. Entry into the Bracket Challenge will be a \$5 donation to My Sister's House. Grand prize is a \$50 gift certificate to Best Buy. The Bracket Challenge is also open to players in the tournament.

Registration

Sign-up by emailing us at: HoopTourney@AsianUnderground.org or call (916) 965 2570

Send us the following info: 1) Team Name
2) Name, Age, and email address of each player on your team
